## Ontario Glide "No Fluoro or Low Fluoro" Waxing Protocol for Midget Categories & Younger

Please read, share with parents, coaches, wax technicians and athletes, and abide by the waxing protocol on the following page.

**Ontario Glide 'No Fluoro or Low Fluoro' Waxing Protocol  
For Midget Categories and Younger  
&  
Ontario Midget Championships**

**Preamble:**

At the CCC AGM held in June 2014, several Divisions within Canada expressed concern with the increasing focus of high fluoro wax application at provincial and regional races. As a result, Ontario will be adopting a 'No Fluoro/Low Fluoro' policy for the 2014/2015 ski season. This policy will apply to all midget categories and younger at all Ontario Cups as well as the 2015 Ontario Midget Championships. Alberta and Quebec will be adopting a similar protocol for this coming season.

Further consultation with the Ontario Ski Community will be solicited in the 2014/2015 ski season. We will be requesting feedback from coaches, parents and wax technicians with respect to implementation of this protocol at the older race categories. This feedback will be collected via survey monkey and/or Ontario Cup races.

**Protocol:**

Cross Country Ontario respectfully requests all coaches, wax technicians, and parents abide by a self governed protocol while waxing skis for athletes racing in the midget age categories and younger. Our request also applies to out-of-province or international skiers who are competing at these events.

The recommended **glide** waxing protocol for is as follows:

- Use of Non-Fluoro (NF) or Low Fluoro (LF) glide waxes only
- High Fluoro (HF) or Medium Fluoro (MF) glide waxes, including HF or MF powders, pucks, blocks and liquids are NOT permitted
- Cold weather powder additives and hardeners are NOT permitted

The adherence to this protocol is self-governed and is the responsibility of the coaches, parents and wax technicians.

This information will be communicated:

By Cross Country Ontario

- to all Ontario Cup Race Organizing Committees
- To all Ontario clubs and coaches
- [www.xco.org](http://www.xco.org) and via twitter @xco.org

By the Race Organizing Committee

- As an addition to the race notice if midget categories are included
- As an agenda item at Team Leader Meetings if necessary
- As a hard copy to all teams when registering onsite for an Ontario Cup
